LESSON POLICY

info@mochifika.com

Dear students,

Here are the simple guidelines for our classes.

Booking

Please book your sessions in advance.

Reschedule and cancellation

If your lesson will take place after 24+ hours, you can email the teacher and request to change the lesson to a new date and time. Or send a "cancel lesson" request to your teacher.

- If a lesson is about to start within 12 hours, it can NOT be changed to a new time or be canceled. **Last-minute cancellations won't be refunded.**
- If you are more than 10 minutes late without notice the class will be considered a no-show and fully charged.

About lessons

- Please do NOT eat during the class. (Cup of tea/coffee e.t.c. no problem!)
- Ideally, classes will take place via Skype.

Sincerely,

Akari Piotrowski
